

MARCH IS SEXUAL ASSAULT AWARENESS MONTH

**DENIM
DAY
MARCH 9**

**PEACE OVER VIOLENCE
ONE BY ONE BY ONE BY ONE**

People across the world wear denim during March as a response to the Italian Supreme Court 's overruling of a rape conviction. When the case went to trial the jury found the assailant guilty. Unfortunately, the Supreme Court soon overturned the ruling, due to the victim wearing jeans at the time of the assault. Wear jeans on March 9th to let everyone know that it doesn' t matter what someone is wearing, no means no.
